

## OUR MISSION

The mission of the White Plains Youth Bureau is to provide children and youth ages 5 through 24, with tools to acquire the skills needed to become good citizens and competent leaders of the 21st century.

The Youth Bureau provides opportunities for today's youth to apply their energies and skills thus enabling them to believe in their futures and themselves.

### **PROGRAM**

The White Plains Youth Bureau's Before and After School Programs serve Grades K - 5! These Programs are offered at each of five White Plains Public Elementary Schools.

Our program staff are professionally trained, registered, and cleared through the City of White Plains and Child Care Council of Westchester.

Students will have the opportunity to participate in academic, recreational, and leisurely activities outside of school hours.

The program will provide a friendly, consistent, and familiar environment for

students to thrive and grow!
