The After School Connection Program is a youth development program of the City of White Plains Youth Bureau.

www.whiteplainsyouthbureau.org
WELCOME
Welcome to the After School Connection Program (ASC). The ASC is just one of many youth development programs developed and offered to the residents of White Plains by the City of White Plains Youth Bureau. The Youth Bureau is able to offer quality after school programming to over four hundred students a day in the White Plains community.

GOAL AND PHILOSOPHY
The goal of the ASC is to offer a safe quality school-age child care youth development program for working parents/guardians that provides opportunities and experiences that stimulate a child’s intellectual, social, physical and emotional development. We strive to create a warm, supportive and friendly environment where children are able to develop friendships with their peers and positive relationships with caring adults. The ASC is meant to be a place where children can follow their own interests and choose among a variety of stimulating activities, under the guidance of adult staff, within a secure and familiar environment.

LICENSING/REGISTRATION AGENCY
The After School Connection is licensed to provide after school child care by the New York State Office of Family and Children Services (NYSOCFS). You may contact the Westchester Regional office at 845-708-2400. The address is 117 East Stevens Avenue, Suite 201, Valhalla, NY 10595

ORGANIZATIONAL STRUCTURE
The ASC is one of many programs run by the White Plains Youth Bureau out of the office of the Mayor of White Plains. The Youth Bureau is advised by a volunteer Youth Board made up of a range of members from the White Plains community. The Youth Bureau is headed by a Director who is responsible for the administration and supervision of the overall Bureau. The Director is assisted by an Assistant Director and a staff of Youth Specialists I, II, Youth Care Specialists, Youth Aides, Office Clerks and support staff. The ASC is supervised by a Youth Specialist II and directed by the Youth Care Specialist, who is responsible for the day-to-day operations, programming, coordination and implementation of curriculum, staffing, budget and payroll. A Youth Aide maintains the attendance, billing, snacks and supplies, and assists in the daily maintenance of the program. Site Directors are responsible for the day-to-day administration of their particular centers, Head Instructors, Assistant Instructors and support staff. Head Instructors assist the Site Directors in their daily activities, are responsible for their own groups and act as a substitute for the Director as needed. Specialists are responsible for providing programs in their particular area of expertise, for example art or tennis. Youth Workers assist both the Lead Teachers/Site Director as well as Specialists.

**HEALTH:**
If it appears that a child’s health may pose a threat to other children, parents will be called and asked to pick up their child immediately. *Our staff may not administer medication of any kind to any child, nor may any child self-administer any medication while in our care. In any other cases of medical emergency, we rely on the excellent local emergency services to provide urgent care.

We urge you to contact us immediately if your child has been exposed to or contracts an illness which could affect others.

**CONFIDENTIALITY OF RECORDS**
All information in your child’s record is privileged and confidential. No record will be released without the written consent of the parent or guardian.

After the first registration payment, credit and debit card users will be instructed to pay online through our Bill Pay Form Portal on our website. **Parents are responsible for making monthly payments. We do not process monthly automatic debits.** Credit card payments are also accepted and can be made on our website. Details will follow in your monthly invoice. **Refunds will be granted ONLY for a full billing period’s payment (generally four weeks) when a request for a refund is provided to our business office in writing at least one week before the beginning of the billing period.** If payment of fees becomes more than one month delinquent, your child may not be permitted to attend the After School Connection until you have spoken with us and made arrangements to settle your overdue balance. If a child is removed from the After School Connection for any reason, it is the responsibility of the parent/guardian to inform the school and their child’s teacher of all new dismissal procedures and transportation arrangements. Fees are due regardless of absences.
SNOW DAYS AND EMERGENCY CLOSINGS:
The After School Connection program will be closed on all snow-emergency days announced by the White Plains Board of Education. In the event of an early emergency dismissal due to weather or any other event, the After School Connection program will also close. It is the responsibility of the parent/guardian to make the proper arrangements for transportation and care for their children in the event of an emergency/early dismissal. On rare occasions we need to close the program due to extreme weather or other emergencies even when school has been open. On those occasions we notify parents via email and text messaging.

STAFF:
The ratio of staff to children in elementary will be at least 1 to 10 and middle schools 1 to 15. Children will be supervised at all times. Parents, guardians and teachers may be informed of a child’s attendance, progress and behavior. We encourage parents, guardians and teachers to discuss specific concerns with us at any time.

All After School Connection staff members are required to complete the State requirement for staff training, generally 30 hours per school year. After School Connection staff members receive in-depth training at the beginning of each school year as well as ongoing training at intervals throughout the school year.

TAX IDENTIFICATION NUMBER:
The City of White Plains Youth Bureau Tax Identification Number is 13-6007339.

PARENTAL PERMISSION & RELEASE FORM:
Provided in the registration packet is a parental permission & release form. No child will be able to participate in any off-site trip unless this form is completed and signed. All parents/guardians will receive prior notice of any off-site trip as well as the times of departure and return to the program. If you have any questions regarding program trips, videotaping or photographing of children in the After School Connection, please speak with the After School Program Coordinator or Supervisor directly.

WITHDRAWAL FROM PROGRAM:
Parents must give a full week written notice of their child’s withdrawal from the after school program. This notice must be mailed, faxed, emailed or delivered in person to the City of White Plains Youth Bureau at 11 Amherst Place, White Plains, NY 10601. A child may be asked to withdraw from the After School Center program if, in the judgment of the professional staff, he or she is not able to function positively in our group setting, or the program is unable to meet the special needs of that particular child.
